

ARGO TRACTORS

About us

Argo Tractors is engaged in
engineering, manufacturing and distributing:

Landini

McCORMICK

VALPADANA

Argo Tractors **designs, manufactures** and **commercializes** services and components all over the world, gathering the technological heritage of brands that have marked important steps in the agricultural mechanization.

Our project is **'human being' driven**, with the commitment of Argo Tractors to respect the environment and to make **safer** and more **comfortable** the job of those who operate on the fields and those who, every day in the factory, devote themselves with **passion** to the constant improvement of the **efficiency** and **performance** of our products.

Landini

It is the **glorious** and **historical Italian** brand that designs and manufactures a diversified range of efficient and performing tractors, appreciated all over the World.

Reliability, usability, constantly updated technology and a skillful aftermarket service, make the Landini tractors the optimal reply to all the field, **farm** and **specialistic requirements.**
